

THE ELDORET NATIONAL POLYTECHNIC

Quality Policy Statement

The Eldoret National Polytechnic is committed to providing high quality TVET and Entrepreneurial Training and Research services that meet our customers' requirements and exceed their expectations.

In pursuit of this commitment, the Polytechnic shall comply with applicable requirements and continually improve its effectiveness by implementing and maintaining a Quality Management System in line with its strategic plan based on **ISO 9001:2015** Standard.

The Polytechnic's Top Management shall establish and review quality objectives at user departments on an annual basis for continued relevance and suitability.

This quality policy shall be reviewed at least once every year and revised whenever necessary to keep it abreast with emerging issues .
