### **RE: INVITATION FOR THE ASSESSMENT TOOLS DEVELOPMENT AND VALIDATION FOR JULY / AUGUST 2026 SERIES TENP ASSESSMENT**

The Eldoret National Polytechnic is an established Qualifications Awarding Institution under legal order number 114 of 2014 which gives her the mandate to develop, train, assess and certify her own curricula and award qualifications.

Guided by our Mission to Produce Human Capital and Advance Technology through Quality Training, Applied Research and Innovation for Sustainable Development, the Polytechnic is committed to delivering quality and responsive based training.

It is in this regard that Polytechnic invites qualified subject matter experts to develop and validate summative assessment tools for its various Competence Based Education and Training Courses. This is to enhance quality, relevance, and credibility of assessment across all modularized programmes.

### **REQUIREMENTS**

#### **Purpose**

- Development and validation of assessment tools for various courses and units offered by The Eldoret National Polytechnic.

#### **Eligibility Criteria**

1. Minimum Academic Qualification: Higher National Diploma (HND) in the relevant area.
2. Experience: At least three years of training or industry experience.
3. Added Advantage: Prior experience in tool development.

#### **Submission Requirements**

Interested individuals must submit the following documents in a zipped folder labeled with their names to [examinations@tenp.ac.ke](mailto:examinations@tenp.ac.ke) :

1. A cover letter indicating the units to develop.
2. A detailed Curriculum Vitae (CV).
3. Relevant academic and professional testimonials.

- Email Subject: Include the department and course name.

## **Deadline**

- Submissions must be sent on or before June 25<sup>th</sup>, 2026.

## **Assessment Areas**

### **Cycle 3 module 1 & 2 and these include:**

1. Agriculture and Environmental Studies (e.g., Agriculture & Extension Level 6, Agripreneurship Level 6, Dairy Plant Management Level 6, Environmental Technology Level 6, Horticulture Level 6, Food Technology Level 6, Dairy Plant Management Level 5, Food Technology Level 5, Agriculture & Extension Level 5, Livestock Feed Production Level 4)
2. Applied Science (e.g., Science Laboratory Technology Level 6, Applied Biology Level 6, Applied Statistics Level 6, Analytical Chemistry Level 6, Industrial Chemistry Level 6, Science Laboratory Technology Level 5)
3. Building and Civil Engineering (e.g. Architectural Technology Level 6, Quantity Surveying Level 6, Highway Engineering Level 6, Building Technology Level 6, Civil Engineering Level 6, Water Technology Level 6, Land Surveying Level 6, Road Constructor Level 5, Land Surveying level 5, Plumbing Level 5, Water Technology Level 5, Building Technology Level 5, Masonry Level 4, Carpentry & Joinery Level 4, Construction Field Testing Level 4)
4. Business Studies and Entrepreneurship Education (e.g., Road and Transport management level 6, Supply Chain Management Level 5, Supply Chain Level 6, Cooperative Management Level 6, Sales and Marketing Management Level 6, Project Management Level 6, Business Management Level 6, Road Transport Management Level 6, Customer Care Level 6, Office Administration Level 6, Entrepreneurship Management Level 6, Banking & Finance Level 6, Procurement Management Level 6, Accountancy Level 6, Cooperative Management Level 5, Procurement Management Level 5, Office Administration Level 5, Business Management Level 5, Sales and Marketing Management Level 5, Office Administration Level 4, Storekeeping Level 4, Project Management Level 5, Human Resource Management Level 5, Marketing Assistant Level 5,)
5. Computing and Informatics (e.g., Library and Information Science Level 5, Records and archives management level 6, Records and archives management level 5, Library and Information Science Level 6, Computer Science Level 6, Software Development Level 6, Information Communication Technology Level 6, Broadcast Journalism Level 6, Information Communication Technology Level 5, Software Development Level 5, Multimedia Production Level 6, Multimedia Production Level 5, Film Production Level 6, Digital Journalism Level 6,)

6. Electrical and Electronics Engineering (e.g., Electrical Engineering Technology Level 6, Telecommunications Technology Level 6, Instrumentation and Control Technology Level 6, Biomedical Engineering Level 6, Electrical Engineering Technology Level 5, Electrical Installation Technology Level 4, Solar Photovoltaic System Installation Technology Level 4)
7. Health Sciences (e.g., Community Health Level 6, Diploma in Medical Laboratory Sciences, Diploma in Health Records and Information Technology, Nutrition and Dietetics Level 6, Nutrition and Dietetics Level 5, Certificate in Health Records and Information Technology, Community Health Level 5)
8. Hospitality and Institutional Management (e.g., Cosmetology Level 6, Cosmetology Level 5, Cosmetology Level 4, Food and Beverage Management Level 6, Catering and Accommodation Management Level 6, Tourism and Travel Management Level 6, Fashion Design Management Level 6, Catering and Accommodation Operations Level 5, Food and Beverage Operations Level 5, Tour and Travel Operations Level 5, Tour Guiding Level 5, Fashion Design Level 5.)
9. Liberal Studies (e.g., Counselling Psychology Level 5, Social Work & Community Development Level 6, Child Protection Level 6, Counselling Psychology Level 6, Social Work & Community Development Level 5, HIV Testing & Counselling Services, Child Protection Level 5)
10. Mechanical Engineering (e.g., Automotive Engineering Technology Level 5, Automotive Technology Level 6, Refrigeration and Air Conditioning Level 6, Welding Technology Level 6, Mechanical Production Technology Level 6, Mechanical Plant Technology Level 6, Agricultural Engineering Level 6, Welding Technology Level 5, Mechanical Production Technology Level 5, Mechanical Plant Technology Level 5, Refrigeration and Air Conditioning Level 5, Automotive Technology Level 5, Agricultural Engineering Level 5, Agricultural Machinery Level 4, Motor Cycle Mechanics Level 4, Spray Painting Level 4, Motor Vehicle Electrics Level 4.)

## HOW TO APPLY

Interested subject experts should submit their application details through the provided email on or before closure of business, Friday June 26<sup>th</sup>, 2026

Dr. Charles K. Koech DHI., OGW.

**CHIEF PRINCIPAL / SECRETARY GOVERNING COUNCIL**
